Chapter 1 by Story Wars

My name is Little, but everyone calls me Shrunk.

I go to a public school called "Geoff Rubb" and almost everyone makes fun of me. My parents are divorced and I only have a dog called Figgs to keep me company...

Today it's the 43rd, and i will be auditioning to the concert "Little Stars" thanks to my beautiful voice.

"Little, it's your turn..." says the speakers

I stand up and head towards the stage. The metal doors screech as they open. On the other side, i spot three judges and they look more than just asleep...

Chapter 2 by Miriam

I awoke from my reverie and decided to focus. Focus on this fate-deciding exam that was lain out in front of me.

How the heck did I manage to blank out again in yet another exam?
